Sempre que lia a Bíblia, tinha uma dificuldade em entender a respeito do cativo de Israel e Judá. Jeremias profetizava para o Reino Sul, (o Reino Norte já havia sido levado cativo para a Assíria) avisando que Deus iria punir esta nação, por causa do seu pecado, levando-a para o cativo em Babilônia. Ezequiel profetizava no cativo, falando para Judá, a situação que esta nação estava vivendo e as abominações que estavam cometendo no templo. Esdras e Neemias, que antecedem os livros dos profetas Jeremias e Ezequiel, já relatam o retorno do povo do cativo em Babilônia. Então com meus esforços pesquisei em uma Bíblia as datas e fiz o programa da leitura em ano, tentando colocar mais ou menos em ordem cronológica.

Não fique preocupado quando você estiver lendo e, no meio do capítulo, a leitura for interrompida para outro livro e capítulo, ou mesmo pular de um versículo para outro, ficando um para trás. Fique certo que mais à frente você vai encontrar o complemento de todos os versículos e capítulos.

Observação importante: durante a leitura, sempre que você encontrar o sinal **ponto e vírgula (;)** o livro continua sendo o mesmo. Quando for o sinal **hífen (-)** mudou-se o livro.
